

Commuter Benefits A HOW-TO GUIDE

Using the TRI-AD Commuter Participant Toolkit at www.tri-ad.com/commute, you will create an account and place orders for transit and parking products. TRI-AD sends your employer information about the products you've ordered as well as their cost. These dollar amounts will then be deducted from your paycheck.

Let's Get Started.

Go to www.tri-ad.com/commute. Click Employee/Participant Login at the top right of the page. A one-time registration is required. After you have registered, login and select "Reimbursement Plan Account(s)."

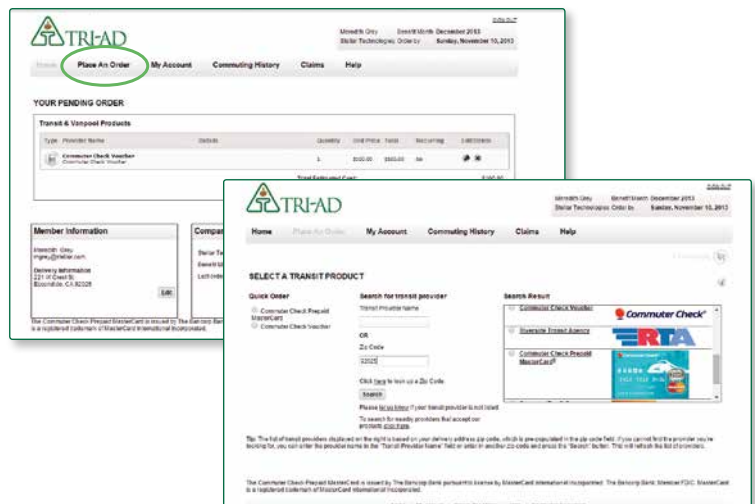

Placing a Transit Order

Order your transit pass in a few easy steps.

1. Once you've logged into your reimbursement account, select the "Commuter Orders" tile.
2. Select "Place an Order" on the top bar and select **Transit** from the drop-down menu. The first time you login, you will be asked to provide your work location.
3. The system uses your zip code of record to display various transit products and providers. Select your transit product or provider from those displayed, or search for a provider by name or zip code.
4. Once you've selected your provider by clicking the radio button next to it, you will be taken to an ordering screen for products available from that provider.

In the event you use more than one provider, such as a bus for part of your commute and a train for the other part, you will need to order each pass separately. Use the "Continue Shopping" button.

For each product, you will have a “recurring order” option. Using this feature, you can set your order to recur automatically each month. This is a great option if you do not want to have to place an order each month. If you do not wish to receive an order for a certain month, uncheck the box for that month. Click **Checkout**. Review your order, agree to the terms and conditions, then click **Purchase**.

Would you like to receive this order for multiple months? Yes No

An order will be created for every **checked** box. Please **uncheck** a box if you do not want to receive an order for that month. Your order will continue to recur for future months not displayed in the calendar below.

If you decide to return and edit your recurring options, please uncheck any months you do not wish to receive an order for. If you wish to **STOP** your order completely, please return to the homepage and delete your shopping cart.
